

The Fisher House Foundation builds and maintains long term residential facilities near military hospitals nationwide. The families of seriously injured soldiers, and sometimes the soldiers themselves, need a place to stay during the long rehabilitation process. This is a vital need which is not covered by any other resource. There is no charge to the soldier or his family for this support.

Currently over 30 million has been dollars invested to support over 32 Fisher Houses nationwide. Since 1990, they have provided services to over 8,500 military families who have stayed more than 1.5 million days supporting their soldier during rehabilitation. Once built the facility is supported by contributions and openings are granted in reverse order of rank, so that the lower enlisted soldiers, with less disposable income, get first chance at the housing.

The Law Firm of Newman Creed & Associates, the American Legion, Veterans of Foreign Wars, Disabled American Veterans and Paralyzed American Veterans will host a 5 Kilometer Road Race, Saturday Morning May 26th at 10:00 a.m., on Memorial Boulevard, in Bristol, CT.
